DEPARTMENT OF THE INTERIOR,

OFFICE OF INDIAN AFFAIRS,

WASHINGTON

Land
12493-1907.

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 31 the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907, I.T.D.1390.

With reference to the names of these applicants being on the 1880 roll Mr. Bixby says:

> THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of Section 21 of the Act of June 28, 1898 (30 Stat.L.,495), the roll of Cherokee citizens of 1880, not including freedman, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of Hefire vs. the United States (164 U. S., 697), said:

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....

The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his life-time recognized him as a citizen and still asserts his citizenship. Held, that, under these circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offense charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al, vs. the United States the Supreme Court said:

The roll of 1880, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....

Section 31 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 21, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicate that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that nation that has been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Larrabee,

Acting Commissioner.

February 20, 1907.

Commissioner to the Five Civilized Tribes,

Muskogee, Indian Territory.

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two others as citizens by intermarriage of the Cherokee Nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1880 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1906 in the case of Daniel Red Bird et al. vs. the United States, it is considered that your deci-

sion, adverse to these persons, is correct, and it is hereby affirmed.

The papers in the case and a carbon copy hereof have been sent to the Indian Office.

W W HASTINGS, ATTORNEY

OFFICE OF

H K VANCE, SECRETARY

Attorney for the Cherokee Nation,

MUSKOGEE, I. T. February 21, 190[illegible].

Muskogee, Indian Territory, February 21, 1907.

The Honorable,

Secretary of the Interior.

Sir:

January 10, 1907 the Commissioner to the Five Civilized Tribes rendered his decision denying, among others, the application for the enrollment of Rebecca Miller as a citizen by intermarriage of the Cherokee Nation. Said applicant is embraced in the case of Frank Howard, et al., transmitted January 10, 1907.

The original record in this case shows Rebecca Miller to have been married to her Cherokee husband prior to 1880. Subsequent proceedings were had in the case at the request of the applicant, January 15 and January 19, 1907, in which it is shown that said Rebecca Miller claims the right to enrollment as a citizen by intermarriage of the Cherokee Nation by reason of a former marriage to a Cherokee citizen, which former marriage is not shown by the evidence received prior to the rendition of the decision in the case.

The record shows that Rebecca Miller, a white woman, was married about 1872 to Daniel McCoy, since deceased, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation; that from the time of said marriage until the death of said

Daniel McCoy, which occurred about one year thereafter, the said Daniel McCoy and Rebecca McCoy resided together as husband and wife and continuously lived in the Cherokee Nation. It is further shown that some time thereafter and prior to 1880 the said Rebecca McCoy was married to one Henry Drowning Bear, since deceased, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Ceowceeceowee District No.333 as a native Cherokee; that from the time of said marriage until the death of said Henry Drowning Bear, the said Henry Drowning Bear and Rebecca Drowning Bear resided together as husband and wife and continuously lived in the Cherokee Nation. It is also shown that subsequent to the death of said Henry Drowning Bear the said Rebecca Drowning Bear was married in the year 1883 to one Archibald Miller, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Tahlequah District No.1376, as a native Cherokee, and whose name appears upon the approved partial roll of citizens by blood of the Cherokee Nation opposite No.16987; that from the time of said marriage the said Archibald Miller and Rebecca Miller resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1908. Said applicant is identified on the Cherokee authenticated tribal

roll of 1880 as "Beck Bear", and the Cherokee census roll of 1896 as "Beckie Miller", as an intermarried citizen of the Cherokee Nation.

In view of the decision of the Supreme Court, dated November 5, 1906 in the cases of Daniel Red Bird, et al. vs. the United States, Nos.125, 126, 127 and 128, it is respectfully recommended that the Department reverse the decision of the Commissioner of January 10, 1907, so far as it relates to this applicant, and that the application for the enrollment of Rebecca Miller as a citizen by intermarriage of the Cherokee Nation be granted. Muskogee, Oklahoma, February 4, 1910.

Mr. Ross Boland,

Porum, Oklahoma.

Sir:

Evidence has been secured by this office showing that your son, Jeremiah Boland, whose name appears on the roll of Cherokee citizens by blood opposite No. 17022, died in the year 1901.

The act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

> "That no allotment of land or other tribal property shall be made to any person or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

You are, therefore, notified that on or before March 7, 1910, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of Jeremiah Boland on the approved roll of Cherokee citizens:

"Died prior to September 1, 1902; not entitled to land or money."

Respectfully,

SUBJECT:
Enrollment of Jeremiah
Boland, a Cherokee.

. . . . . .

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of Jeremiah Boland, a citizen by blood of the Cherokee Nation, enrolled opposite No. 17022. No application to select an allotment of land for this citizen having been received, and Ross Boland, the father, having made an affidavit on October 19, 1908, that his said son died in the spring of 1901, an investigation was begun to corroborate this fact, and on December 12, 1909, the said Ross Boland testified that his son died two weeks after he was enrolled which the records of this office show was January 24, 1901. This testimony was corroborated by his wife, Katie Boland, who stated that her son died at the age of one month and about two weeks after having been enrolled.

On February 4, 1910, Ross Boland, the father of Jeremiah Boland, was notified by registered mail of the information secured by this office as to the date of the death of his son,

and of the provisions of Section 31 of the Act of Congress approved July 1, 1902, (32 Stats., 716) that no person whose name was on the final roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that he might within a stipulated time appear at this office and show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said Jeremiah Boland was not entitled to participate in a division of the tribal property of the Cherokee Nation.

This notice was received as is evidenced by the return of the registry receipt properly signed but no appearance has been made.

The record in this case appears clearly to establish that Jeremiah Boland died prior to September 1, 1902, and I therefore recommend that the following notation be placed upon all copies of the approved rolls of citizens of the Cherokee Nation, opposite the name of Jeremiah Boland, No. 17022: "Died prior to September 1, 1902, not entitled to land or money."

Copies of the record pertaining to the death of this

citizen are enclosed herewith.

Respectfully,

Through the Commissioner of Indian Affairs.

Sir:

I have the honor to transmit herewith a report of March 12, 1910, from the Acting Commissioner to the Five Civilized Tribes, relative to the death of Jeremiah Boland, whose name appears opposite No. 17022 on the final approved roll of citizens by blood of the Cherokee Nation.

It is shown by the enclosed papers that the above named person died prior to September 1, 1902, Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L., 716), provides that no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on the Cherokee roll, and who died prior to September 1, 1902. It is recommended, therefore, that opposite the name of Jeremiah Boland upon the above mentioned roll there be placed the notation -

"Died prior to September 1, 1902;
not entitled to land or money."

and that this Office and the Commissioner to the Five Civil-

She and her two eldest children, Charles and Betsy are found on the census roll of 1896 and she presents satisfactory proof as to the birth of Celia Parris whose name does not appear upon said roll having been born since that roll was compiled. They being duly identified according to the page and number of the rolls as indicated in the testimony and having made satisfactory proof as to residence consequently the said Mary Ann Hughs and her children will be listed

for enrollment as Cherokee citizens by blood.

The applicant applies for himself as an intermarried citizen; the testimony shows that he was married under the laws of the United States in the year 1895, but was not married in accordance with Cherokee laws until 1897, too late under the provisions of the Cherokee law to acquire citizenship by intermarriage, consequently the application for his own enrollment will be refused and he will be rejected.

In order to complete the enrollment of himself, it will be necessary for him to file with this Commission the decree of divorce from his first wife or a certified copy thereof.

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

The Honorable,

The Secretary of the Interior.

Sir:

Referring to schedule number 18 of citizens by blood of the Cherokee Nation, heretofore forwarded to the Department, the Commission has the honor to report that numbers 17050 and 17051, Erda V. Crowell and Allie B. Crowell, have been erroneously classed as females.

On August 20, 1903, the father of these applicants appeared before the Commission and testified that they are males.

The Commission, therefore, respectfully recommends that the copies of the schedule retained by the Department and in the office of the Commissioner of Indian Affairs be corrected so that numbers 17050 and 17051, Erda V. Crowell and Allie B. Crowell, will appear thereon as males; that opposite their names in the column marked "Sex," the letter "M" should appear

instead of the letter "F"; and that the Commission be directed to make similar changes upon the copies of the schedule returned to it.

Q Has your wife always lived in the Cherokee Nation? A. Ye sir.

* * * The name of Nannie E. Lansford appears on the census roll of 189 6 as Nanie Kerr, her maiden name, and she is duly identified as the child and lineal descendant of Neville and Lucinda Kerr, whose names appear upon the authenticated roll of 1880 as per page and number of the roll, and satisfactory prrof is made as to her marriage to Mack B. Lansford in 1898. The result of said marriage is one child, Rastie Lansford, one year of age, whose name does not appear upon the census roll of 1896, having been born since s aid roll was compiled , but he presents satisfactory proof of its birth. They are all duly identified and make satisfactory proof as to residence, consequently the said Nannie E. Lansford and her child Rastie Lansford will be listed for enrollment as Cherokee citizens by blood. The applicant applies for the enrollment of himself as a Cherokee citizen by inter-marriage; the testimony shows that he was married in 1898, too late under the laws of the Cherokee Nation to entitle him to acquire the right of citizenship be inter-marriage, consequently, the application for his own enrollment will be refused and he will be rejected.

Chas. von Weise, being sworn as stenographer to the Commission to the Five Civilized Tribes states that he reported in full the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes thereon.

Q She has been living in the Cherokee nation all the time? A Yes sir.
Q You expect to live togetheragain before you die, don't you? A I don't know--its hard to say.

Examination by Mr. Starr-Cherokee representative:
Q What was the cause of your separation? A She was just jealous, was all I know.
Q Is that the reason she went off and left you? A I guess it was; I don't know what else.
Q Where were you living at the time of the separation? A Muskogee.
Q How long had you lived here? A Two years I guess.
Q In the town of Muskogee? A Yes.
Q You are living here now? A I am.

DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Cecelia R. Jordan as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on January 28, 1901, application was received by the Commission to the Five Civilized Tribes for the enrollment of Cecelia R. Jordan as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, October 18, 1902, and January 23, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Cecelia R. Jordan, is a white woman, and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as she may have acquired by virtue of her marriage in accordance with the law of the State of Texas, on September 24, 1873, to one Alexander Jordan, who is identified on the Cherokee authenticated tribal roll of 1880, Canadian District, No. 748, and whose name is included on the approved partial roll of citizens by blood of the Cherokee Nation, opposite No. 17066; that the said Alexander Jordan was not, at the time of said marriage, a recognized citizen by blood of the Cherokee Nation and did not become a citizen of said Nation until his admission to citizenship therein by the duly constituted authorities of said Nation on December 4, 1879. Said applicant did not, therefore, marry a citizen by blood of the Cherokee Nation prior to November 1, 1875.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Cecelia R. Jordan, is not entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

Dear Madam:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 5, 1907, and give testimony as above indicated.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON. February 2[illegible], 1907.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed a report from the Commissioner to the Five Civilized Tribes, dated February 2, 1907, transmitting the record relative to the application for enrollment of Cecelia B. Jordan as a citizen by intermarriage of the Cherokee Nation. On February 2, 1907, the Commissioner held that the applicant was not entitled to enrollment.

The record shows that the applicant is a white woman, claiming her right to enrollment by virtue of her marriage in accordance with the law of Texas on September 24, 1873, to one Alexander Jordan, who is identified on the Cherokee authenticated tribal roll of 1880, and whose name is included in the approved partial roll of citizens by blood of the Cherokee Nation; that Alexander Jordan was not at the time of his marriage a recognized citizen by blood of the Cherokee Nation and did not become a citizen of that Nation until his admission to citizenship therein by the duly constituted authorities of that Nation on December 4, 1879.

The applicant did not therefore marry a citizen by blood of the Cherokee Nation prior to November 1, 1875.

Under the decision of the Supreme Court of the United

States, dated November 5, 1906, in the case of Daniel Red Bird et al., vs. the United States, the applicant is not entitled to enrollmentas a citizen by intermarriage of the Cherokee Nation.

It is therefore recommended that the decision of the Commissioner adverse to the applicant, be approved.

Very respectfully,

Q Is your son, John, living with you now? A Yes sir.

Com'r. T. B. Needles: The name of William J. McClure appears upon the authenticated roll of 1880 as W. J. McClure and upon the census roll of 1896 as William J. McClure: He avers that he was married to one, Fannie Scott, a non citizen in the year 1889, but presents no satisfactory proof of marriage: Her name is found upon the census roll of 1896 as Fannie McClure: The name of his son is found upon the census roll of 1896 as John L. McClure: They are all duly identified according to the page and number of the rolls as indicated in the testimony and make satisfactory proof of residence; consequently the said William J. McClure and his son, John McLure will be duly listed for enrollment as Cherokee citizens by blood, and his wife, Fannie McClure, as a Cherokee citizen by intermarriage: Before her enrollment and the enrollment of his son, John, is completed, it will be necessary for him to file satisfactory proof of his marriage, or give satisfactory evidence thereof.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a complete and true transcript of his stenographic notes thereof.

Subscribed and sworn to before me this 28th day of January, 1901.

Q What is your name? A Caroline F. Boudinot.
Q What is your age? A 70 years old.
Q What is your postoffice address? A Muskogee.
Q Are you a recognized citizen of the Cherokee Nation? A Yes.
Q What district do you live in? A Illinois.
Q What is your husband's name? A William P. Boudinot.
Q What is his age? A 71.
Q He a citizen by blood? A He is.
Q What is his postoffice address? A I don't know just now; Tahlequah when he is at home.
Q Where is William P. Boudinot? A I do not know.
Q Is he living? A As far as I have any information, I never heard of is death. I haven't seen him for more than two years, or heard from him. He went away from here to take a cure for the morphine habit, and expected to return, and I heard from him one month after he went away, and he was still in good spirits at that time, and since that time, I have no word from him at all, on any sort either good or bad.
Q You don't know whether he is living or dead? A No, I don't; I take for granted since I don't know he is dead, that he must be living. I want to enroll him.
Q You know any reason why he can't appear here in person? A As I told you, he went away to take a cure for the morphine habit. He was very feeble at the time he left, and I couldn't tell what condition the cure, or any travelling might put him into. He might have become erratic. He was still a man capable of attending to good business when he went away. I don't know what effect this cure had on him. I only know I never saw or heard from him. We had police forces looking for him. We never have heard of his death.

Q Was your husband in his right mind when he left? A Just as Mr. Pascale said, he was Clerk for the Dawes Commission and just finished at that time and got ready to go and he went away expecting to be gone two or three months, and after he had been gone a little over one month, we had a letter from him and he seemed to be in good spirits, but that was the last. I got the letter on the 15th of April. He was very feeble at the time he left.

Commissioner Needles-

The name of Caroline F. Boudinot appears upon the authenticated roll of 1880 as Carrie Boudinot, and upon the Census roll of 1896 as Cora F. Boudinot. She is duly identified according to page and number of the roll, and makes satisfactory proof as to her residence, consequently she will be listed for enrollment as a Cherokee citizen by blood. Said Caroline F. Boudinot applies for the enrollment of her husband, William P. Boudinot. No satisfactory proof is made as whether said William P. Boudinot is dead or living, and reference is made as to the testimony as to the reason why he is not present in person, consequently final judgment as to the enrollment of said William P. Boudinot will be suspended, and his name will be placed upon a doubtful card awaiting proof as to his being dead or alive, and as to the reason why he isn't present in person.

U. S. Agency for Cherokees,

Tahlequah C. N. Dec 18 1873.

Be it known certificates of the Clerk of Senate & Clerk of Supreme Court have been presented to me showing that C. Parris, & faminly, Lemuel Parris & Wife, John Parris Levi Parris, Mary Parris, Franklin Parris & Eliza Parris have filed claims for citizenship in the Cherokee Nation with the Chief Justice of the Nation. That the said claims with the evidence therein have been, by the said Chief Justice, transmitted to the Senate for its action, & that the Senate has failed to take them up.

I am also informed that the evidence in said cases is such as to be taken as affording strong probability that the claimants are Cherokees & not simply intruders.

They are therefore permitted to remain in the Cherokee Nation for one year from the date hereof, that they may prosecute said claims.

John B. Jones.

U. S. Agent for Cherokees.

Commissioner Needles-

The name of Charley Hendri ks appears upon the authenticated roll of 1880 as well as the Census roll of 1896. He avers that he was married to one Alcy Johnson, a full blood Cherokee. The name of said Alcy Johnson is found upon the pay roll of 1894. She cannot be found upon the authenti ated roll of 1880, nor the Census roll of 1896. No satisfactory testimony is given as to her parentage, not identification. He avers that by said marriage he has one child, Annie, one year of age, who does not appear upon the Census roll of 1896, having been born after the same was compiled, but makes satisfactory proof of its birth. He is duly identified, and makes satisfactory proof as to his residence, consequently Charley Hendri ks will be duly listed for enrollment as a Cherokee citizen by blood, and final judgment as to the enrollment of his wife, Alcy, and his child, Annie, will be suspended and their names will be placed upon a doubtful card, awaiting proof of citizenship as to his wi e, Alcy.

* * * The applicant applies for the enrollment of himself, his wife and one child, and for an additional child that is living in his care, and with his family. He and his wife are both identified on the rolls of 1880 and 1896 as native Cherokees, they have lived in the Cherokee Nation all their lives, and they will be listed for enrollment as Cherokees by blood. The applicant states thatboth he and his wife are full-bloods. When he presents a certificate of birth of their child Josie Butler, this child also will be listed for enrollment as a Cherokee by blood. The child is his care, whose name he gives as Katie Muskrat, is stated by him, to be a full blood and the child of Cal and Polly Muskrat; the latter formerly named Polly Toney. After a careful search of the rolls and a detailed examination of the applicant, it is conclusive that this child is not the Katy Muskrat with her sister Lucy Muskrat in Illinois district, and who will appear in other proceedings as a claimant and as the daughter of Peggy Rowe. Neither the mother of this child nor its father nor its own name,can at present be identified on any roll. The Calhoun Muskrat, who is identified, is said by applicant to be of entirely a different family. At present only a memorandum will be made of the application for the enrollment of this child Katy Muskrat, and the applicant is desired to present some evidence by which the child can be identified.

SUPPLEMENTAL TESTIMONY-

Malinda Muskrat, being called and sworn as a witness, testified before Commissioner C. R. Breckinridge, as follows-

Q What is your name? A. Malinda Muskrat.
Q What is your age? A. 23.
Q What is your post office? A. Webbers Falls.
Q How long have you lived in he Cherokee Nation? A. All my life.
Q Do you know this child Katie Muskrat that lives with Bear Butler?
A Yes sir
Q What is the name of that child's father? A. Cal Muskrat.
Q When Bear Butler was asked about the family of one Calhoun Muskrat, he said that it was a different family than the one to which Katie belonged——how many children has Cal Muskrat? A. Four.
Q What are their names? A. Jack, Annie, Katie. Katie has a Cherokee name called Oekit.
QWhat is the next one, you have only given three. A. Jenoss.

Q How old is Jack? A. I dont know.
Q How old is Annie? A. I cant tell.
Q How old is Katie? A. About 16 years
Q Is Annie older or younger than Katie? A. Younger; Katie is first, Jack is next and Annie is next, and Jeness is the youngest.
Q Did Cal Muskrat have a wife in 1896? A. Yes sir.
Q What was her name ? A. Susan.

1896 roll, page 49, No. 1335, Calhoun Muskrat, Canadian district.
1896 " 49 " 1335, Susan Muskrat "

Q Is Susan living now or dead? A. Yes sir.
Q He didn't have a child named Eliza? A. Her name was Liza when she was a little baby and we changed her name to Katie.
Q Who do you mean? A. The child living with Bear Butler.
Q This child is a full blood Cherokee is she? A. Yes sir.

1896 roll, page 49, No. 1337, Eliza Muskrat, Canadian district.

* * * It appears from a ditional testimony which has been taken since the first judgment has been rendered, that this child Katie Muskrat is identified on the roll of 1896 as Eliza Muskrat, a very satisfactory witness testifying that her in her childhood she had been called Liza, and that her name had been changed since then to Katie. It being established satisfactorily that this child is a full blood Cherokee, and has lived in the Cherokee Nation all her life, and it being difficult to identify the full name if applicants of this kind, this identification is considered to be sufficient, and this child will be listed for enrollment as KATIE ELIZA MUSKRAT, an as a Cherokee by blood.

Com'r Breckinridge:--The applicant applies for the enrollment of himself and three children: He states that he was born in the Choctaw Nation and came to the Cherokee Nation when he was an infant and has lived in the Cherokee Nation ever since. He considers himself a full blood with the exception of a trace of white blood through his grandfather. His earlier name is in considerable obscurity, he having probably been an orphan at an early age and gone by different names. His father and mother cannot be definitely identified on the roll of 1880, nor can he be identified on that roll. He is identified on the census roll of 1896 and after exhaustive inquiry it is considered beyond doubt that he is a Cherokee by blood and has lived in the Cherokee Nation pratcically all his life, and refer to the testimony, and he will now be listed for enrollment as a Cherokee by blood, under the name of Jeff Foster. His two children by his wife, who is now deceased, are duly identified on the roll of 1880, and these children, Allie and Mary E. Foster, who are now living, will be listed for enrollment as Cherokees by blood. The third child for whom he applies is named Ben Foster who he states was born to him by a full blood Cherokee woman, but to whom he was not married. This woman is now dead. She is identifed on the roll of 1894 but her name cannot be determined on the roll of 1880, nor can it be learned what was the name of her father and mother. She is said to have been a full blood Cherokee woman, and this child, Ben Foster, now living is duly identified on the roll of 1896. No doubt being entertained of his right to enrollment he will now be listed for enrollment as a Cherokee by blood. The mother of the first two children is duly identified on the roll of 1880.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of [illegible] as a citizen of the Cherokee Nation of Shawnee blood.

On January [illegible], 1903, William H. Donaldson appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of himself as a citizen of the Cherokee Nation of Shawnee blood. No other proof was offered in the matter of said application at Muskogee, Indian Territory, on January 1[illegible], 1903.

The evidence shows that William H. Donaldson is identified on the Cherokee authenticated tribal roll of 1880 as an enrolled Shawnee; that he resided in the Cherokee Nation from 1871 until 1887, at which time he removed to the State of Missouri and has since continuously resided in said State since that time and was a resident thereof on June 7, 1902.

Section nine, section twenty-one of the Act of Congress approved June 7, 1902 (32 Stats., [illegible]), provides that "no person shall be enrolled who has not heretofore removed to and in good faith settled in the nation in which he claims citizenship."

It is, therefore, the opinion of this Commission that the application for the enrollment of William H. Donaldson as a citizen of the Cherokee Nation of Shawnee blood should be denied, in accordance with the provisions of section twenty-one of the Act of Congress approved June 7, 1902 (32 Stats., [illegible]), and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of William M. Donaldson as a citizen of the Cherokee Nation of Shawnee blood.

DECISION.

The record in this case shows that on January 30, 1901, William M. Donaldson appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of himself as a citizen of the Cherokee Nation of Shawnee blood. Further proceedings in the matter of said application were had at Vinita, Indian Territory, on January 16, 1903. The record further shows that on March 20, 1903, the Commission rendered its decision denying said application, and forwarded the same to the Department of the Interior, and thereafter, on July 17, 1903, the Department remanded said case to the Commission for readjudication.

The evidence shows that William M. Donaldson is identified on the Cherokee authenticated tribal roll of 1880 as an adopted Shawnee; he is also identified on the Cherokee census roll of 1896. It is further shown that subsequent to his enrollment in 1880 he resided in the Cherokee Nation for five years, at which time he left said nation and moved to Missouri, where he has lived continuously since that time.

The evidence further shows that he owned improvements on the public domain of the Cherokee Nation at the time of his removal to Missouri, and that said ownership continued until ten or twelve years ago, when he sold his interest in said improvements, and had not purchased or owned any improvements on the public domain of said nation up to and including June 28, 1898.

Paragraph nine, section twenty-one of the act of Congress approved June 28, 1898 (30 Stats., 495), provides:

"No person shall be enrolled who has not heretofore removed to and in good faith settled in the nation in which he claims citizenship."

It is, therefore, the opinion of this Commission that the application for the enrollment of William M. Donaldson as a citizen of the Cherokee Nation of Shawnee blood, should be denied, under the provisions of law above quoted, and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of William M. Donaldson as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, on January 30, 1901, William M. Donaldson appeared before the Commission to the Five Civilized Tribes and made application for enrollment as a citizen by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, January 16, 1903. The records further show that on March 20, 1903, the Commission to the Five Civilized Tribes rendered its decision herein, denying said applicant the right to enrollment as a citizen by blood of the Cherokee Nation under the provisions of paragraph nine of Section twenty-one of the Act of Congress approved June 28, 1898, (30 Stat. 495), and that said decision was duly forwarded the Department for review and decision. Thereafter on July 17, 1903, (I.T.D.5554-03), the Department remanded said case to this office for readjudication in accordance with the ruling of the Department in the case of Joseph D. Yeargain, et al. Thereafter on January 6, 1904, the Commission to the Five Civilized Tribes rendered its decision herein, again denying said applicant the right to enrollment, and that on February 24, 1905 (I.T.D.10740-04, 1762-05), the Department, in accordance with an opinion of the Assistant Attorney-General, rendered in said case, returned said case to this office for readjudication "with view to determine whether the right that he clearly acquired and had, as conclusively shown by his identification upon the authenticated 1880 Cherokee Shawnee roll, has been lost, forfeited, or abandoned".

THE EVIDENCE IN THIS CASE SHOWS: That William M. Donaldson, who is identified on the Cherokee authenticated tribal roll of 1880 as an adopted Shawnee and on the Cherokee census roll of 1896, was in the year 1885, a bona fide citizen of the Cherokee

Nation; that in said year he left the Cherokee Nation and moved to the state of Missouri where he has since continuously resided. The evidence further shows that said applicant, after his removal from the Cherokee Nation in 1885, owned improvements on the public domain of said Nation up until about the year 1890, when he sold his interests in said improvements, and from that time up to and including September 1, 1902, neither owned nor controlled any property in the Cherokee Nation.

Section two of Article I of the Cherokee Constitution in part provides:

> "Whenever any citizen shall remove with his effects out of the limits of this Nation, and becomes a citizen of any other government, all his rights and privileges as a citizen of this Nation shall cease. . . "

In view of the foregoing, it is considered by this office that the applicant herein, William M. Donaldson, by his continued residence in the state of Missouri since the year 1885, and his failure to own or control any property in the Cherokee Nation for the last ten or twelve years, forfeited, under Section two of Article I of the Cherokee Constitution above noted, his right to Cherokee citizenship.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), William M. Donaldson is not entitled to enrollment as a citizen by blood of the Cherokee Nation and his application for enrollment as such is accordingly denied.

> The evidence shows that William M. Donaldson is identified on the Cherokee authenticated tribal roll of 1880 as an adopted Shawnee; that he resided in the Cherokee Nation from 1871 to 1887, at which time he removed to the State of Missouri and has been a continuous resident in said State since that time and was a resident thereof on June 28, 1898.
>
> Paragraph nine, section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), provides that "no person shall be enrolled who has not heretofore removed to and in good faith settled in the nation in which he claims citizenship."
>
> It is, therefore, the opinion of this Commission that the application for the enrollment of William M. Donaldson as a citizen of the Cherokee Nation of Shawnee blood should be denied, in accordance with the provisions of section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

October 18, 1904, the Indian Office recommended affirmance of that action.

The legal ground upon which the commission based its action is clearly erroneous, and the provision of the act of June 28, 1898 (30 Stats. 495, 502) quoted by the commission, had no relevance or application to the facts, inasmuch as the record shows and the commission found the applicant had established actual residence in the nation and lived there about sixteen years. The

case therefore presented no question of integration into the nation, or patriation, against which the provision quoted set a limitation or bar, but presented merely the question or loss of citizenship or expatriation. The distinction between these questions is plain. It is no doubt true that one having good right of citizenship by virtue of his recognition upon the authenticated 1880 Cherokee roll might lose that right by expatriation of himself with intent to sever his relations with the nation. The applicant testified January 16, 1903, to the effect that his absences in Kansas City and in Kansas, during much of the time from 1887 to 1897, were for the purpose of getting work at his trade of carpentry that he did not vote in Kansas City, was unmarried until March, 1900; during part of the time of his absence he has had property in the nation. In his former testimony he said that he had always considered the Cherokee Nation as his home.

The commission is the tribunal of first instance to determine questions of fact. It should have determined whether Donaldson's absence from the nation was intended as a severance of his relation and alligiance to the nation. As they have not considered the evidence in that view, and have not found or expressed an opinion thereon, I deem it not my province to do so.

But as the commission clearly regarded the case as one coming under the limitation or bar against obtaining right by or founding right upon a removal to and settlement in the nation after

June 28, 1898, I am of opinion that its action should be vacated and the case readjudicated, with view to determining whether the right that he clearly acquired and had, as conclusively shown by his identification upon the authenticated 1880 Cherokee-Shawnee roll, has been lost, forfeited, or abandoned.

Very respectfully,

Frank L. Campbell,

Ass't. Attorney-General.

Sir:-

On February 24, 1905, in accordance with the approved opinion of the Assistant Attorney-General of February 15, 1905, the Commission to the Five Civilized Tribes was advised that the Cherokee enrollment case of William M. Donaldson should be readjudicated.

Dear Sir:

Donaldson has this day been notified that he will be permitted to appear before the offices of the Commissioner to the Five Civilized Tribes on Thursday, June 28, 1906, at nine o'clock A. The Honorable,

The Secretary of the Interior,

Sir:

This office is in receipt of Departmental letter of May 29, 1906 (I.T.D. 1762-1905), stating that on February 24, 1905, the Commission to the Five Civilized Tribes was advised that the Cherokee Enrollment case of William M. Donaldson should be readjudicated in accordance with an approved opinion of the Assistant Attorney General of February 15, 1905, and that the records of the Department do not show that any further action has been taken in the case. The record in the case is returned and the opinion expressed that it is probable that the delay is due to the fact that the record in the case was not returned with said letter of February 24, 1906.

In reply you are respectfully advised that in order to properly determine the right of William M. Donaldson to enrollment as a citizen of the Cherokee Nation it is

necessary that further testimony be secured as to his residence and property interests in the Cherokee Nation. Since the case was remanded to this office February 24, 1905, the applicant has several times been notified to appear and give testimony in connection with his case, but has failed to do so. The record is very unsatisfactory and a further effort will be made to secure further testimony in the case, after which a decision will be rendered and the record returned to the Department.

DEPARTMENT OF THE INTERIOR,

LAND
106809-1906.

OFFICE OF INDIAN AFFAIRS,

WASHINGTON.

February 23, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed the record of proceedings in the matter of the application for the enrollment of William M. Donaldson, as a citizen of the Cherokee Nation by blood, and the decision of the Commissioner to the Five Civilized Tribes, dated December 3, 1906, adverse to the applicant.

February 24, 1905, (I.T.D.10740-1904-1762-1905), the Department remanded this case to the Commission to the Five Civilized Tribes for readjudication.

The record shows that on January 30, 1901, William M. Donaldson appeared before the Commission to the Five Civilized Tribes and made application for his enrollment as a citizen of the Cherokee Nation. On March 20, 1903, the Commission rendered its decision, denying the applicant the right to enrollment. On July 17, 1903, (I.T.D.5554), the Department remanded this case to the Commission to the Five Civilized Tribes for readjudication in accordance with the ruling of the Department in the case of Joseph D. Yeargain, et al. Thereafter, on January 6, 1904, the Commission to the Five Civilized Tribes rendered its decision again denying the applicant the right to enrollment

and on February 24, 1905, (I.T.D.10740-1904-1762,1905), the Department, in accordance with the opinion of the Assistant Attorney General rendered in this case, returned the record to the Commission to the Five Civilized Tribes for readjudication "with view to determine whether the right that he clearly acquired and had as conclusively shown by his identification upon the authenticated 1880 Cherokee-Shawnee roll, has been forfeited or abandoned."

The evidence shows that William M. Donaldson, who is identified on the authenticated Cherokee roll of 1880 as an adopted Shawnee, and on the Cherokee census roll of 1896, was in the year 1885 a bona-fide citizen of the Cherokee Nation; that in the year 1885 he left the Cherokee Nation and moved to the State of Missouri, where he has since continuously resided. The evidence further shows that the applicant after his removal from the Cherokee Nation in 1885 owned improvements on the public domain of that Nation until about the year 1890, when the improvements were sold, and from that time up to and including September 1, 1902 the applicant has never owned or controlled any property in the Cherokee Nation.

In view of the facts as herein set out it is considered that the applicant, William M. Donaldson, by his continued residence in the State of Missouri since the year 1885, and his failure to own or control property in the Cherokee Nation for the last twelve years, forfeited under Section 2 of Article 1 of the Cherokee Constitution, his right to Cherokee citizenship.

Therefore, by reason of the provisions of Section 21, of the Act of Congress approved June 28, 1898 (30 Stat.L., 495), the Office concurs in the decision of Commissioner Bixby denying the enrollment of William M. Donaldson as a citizen of the Cherokee Nation.

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird, et al, vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Commissioner.

Dated at Muskogee, Indian Territory,

this January 10, 1907.

Cherokee No. 7210

ADDRESS ONLY THE COMMISSION TO THE FIVE CIVILIZED TRIBES

Muskogee, Indian Territory, September 26th, 1902.

Philip Shultz,

Muskogee, Indian Territory.

Dear Sir:

The Act of Congress, approved July 1, 1902, and entitled "An Act To provide for the allotment of the lands of the Cherokee Nation, for the disposition of town sites therein, and for other purposes," Public No. 241, provides that "the roll of citizens of the Cherokee Nation shall be made as of September first, nineteen-hundred and two."

In accordance with said provision, you are hereby notified that the Commission to the Five Civilized Tribes will be at its offices at Muskogee, Indian Territory, until Friday, October 31, 1902, inclusive, for the purpose of affording you an opportunity to show that you have not, between the date of the original application for your enrollment and Sept 2, 1902, forfeited your right as a citizen by intermarriage of the Cherokee Nation.

This evidence should be introduced immediately, as it is necessary in determining your right to share in the allotment of the lands of the Cherokee Nation, and until the same is furnished no further action can be taken looking toward your final enrollment as an intermarried citizen.

Yours truly,

Acting Chairman.

7210

Muskogee, Indian Territory, January 10, 1907.

Philip Shults,

Muskogee, Indian Territory.

Dear Sir:

Leliette Cartwright on 1894 roll, page 147, No. 676, Letitia Cartwright, Coweescoowee district. William T. Cartwright on 1894 roll, page 147, No. 677, Wm. Thos. Cartwright, Coweescoowee district. Essie Cartwright on 1894 roll, page 147, No. 674, Coweescoowee district.)

The name of Mary E. Miller appears upon the Census roll of 1896. She presents a certificate of admission as described in the testimony, certifying that her husband, Crill Miller, was admitted to citizenship on the 13th of June, 1878, but the name of the said Crill Miller does not appear upon the authenticated roll of 1880 and he died in the year 1892. She avers that she was married to said Crill Miller in the State of Texas under the laws of that State in 1861. She presents no proof of marriage by Cherokee law after the year 1878, the date of her husband's admission, consequently her application for admission as a Cherokee citizen by intermarriage is denied.

John H. Miller, her son, his name is found upon the Census roll of 1896, as well as the pay roll of 1894, he having been born to the said Crill Miller and his wife, Mary E. Miller, after the year 1878, and satisfactory proof being made as to his residence, and he being duly identified, he, the said John H., will be duly listed for enrollment by this Commission as a Cherokee citizen by blood.

The applicant applies for the enrollment of John H. Cartwright, Leliette Cartwright, and William T. Cartwright, children of Esther Miller by her husband, John Cartwright, a non citizen, said Esther being the daughter of the said Mary E. Miller. The said Esther Cartwright, the child of Mary E. and Crill Miller, was born in the year 1868, prior to June 13, 1878, the date of the admission of her father to Cherokee citizenship. Her name does not appear upon the certificate admitting her father to citizenship, consequently she wasn't a recognized citizen of the Cherokee Nation by blood, neither are her children, John H., Leliette, and William T., and the application for the enrollment of the said John H. Cartwright,

Leliette Cartwright, and William T. Cartwright, will be refused.

The decision and the judgment will be forwarded to the Secretary of the Interior when the rolls of the Cherokee Nation are completed and forwarded to him for approval, and these proceedings are all considered by him, and have to be approved.

I desire to inform you that if you desire to take an appeal to the Department from this decision, you can make your application to this Commission in writing and we have blanks back there that you can file with us if you so desire.

Q What was Esther Miller's age? A She died when she was 38, she died in 1895; her children is on the 1896 roll.
Q You present a certificate of admission to citizenship in the Cherokee Nation, dated June 12, 1878, signed by John Chambers,

President, of the Commission, O. P. Brewer and George Downing, Commissioners, attested by D. L. Nicholson, Clerk. This certificate of admission admits Crill Miller to citizenship on the 12th of June, 1878. Is the Crill Miller whom you claim as your husband the identical Crill Miller mentioned in this certificate? A Yes, sir.
Q You were married in 1861? A In 1861 in Texas, and moved to this country in 1887.
Q Were you ever married according to the laws of the Cherokee Nation? A No, sir, they don't require a Cherokee gentleman to have those signers, it is only those that are girls that marry.
Q Have you any proof of your marriage in Texas? A I suppse it is on the record in Dallas Court House; still the Court House has been burned once, but I don't think the records were burned; there is many citizens there can testify to it in Dallas.
Q Your son, John H., what was the date of his birth? A In 1880.
Q What is the date of the birth of Esther Miller, or Esther Cartwright? A In 1868 I think, she was 28 when she died and has been dead five years.

Cartwright on 1896 roll, page 139, No. 1201, Cooweescoowee district.)
Q Did you draw strip money for these children? A Yes, sir.
Q You didn't draw any for yourself? A Yes, sir; no, I didn't either, not for myself, but for all the children.
(John H. Miller on 1894 roll, page 240, No. 2673, Cooweescoowee district. John H. Cartwright on 1894 roll, page 147, No. 675, Cooweescoowee district. Leliotta Cartwright on 1894 roll, page 147, No. 676, Letitia Cartwright, Cooweescoowee district. William T. Cartwright on 1894 roll, page 147, No. 677, Wm. Thos. Cartwright, Cooweescoowee district. Essie Cartwright on 1894 roll, page 147, No. 674, Cooweescoowee district.)

The name of Mary E. Miller appears upon the Census roll of 1896. She presents a certificate of admission as described in the testimony, certifying that her husband, Crill Miller, was admitted to citizenship on the 12th of June, 1878, but the name of the said Crill Miller does not appear upon the authenticated roll of 1880 and he died in the year 1892. She avers that she was married to said Crill Miller in the State of Texas under the laws of that State in 1861. She presents no proof of marriage by Cherokee law after the year 1878, the date of her husband's admission, consequently her application for admission as a Cherokee citizen by intermarriage is denied.

John H. Miller, her son, his name is found upon the Census roll of 1896, as well as the pay roll of 1894, he having been born to the said Crill Miller and his wife, Mary E. Miller, after the year 1878, and satisfactory proof being made as to his residence, and he being duly identified, he, the said John H., will be duly listed for enrollment by this Commission as a Cherokee citizen by blood.

The applicant applies for the enrollment of John H. Dartwright, Leliotta Cartwright, and William T. Cartwright, children of Esther Miller by her husband, John Cartwright, a non citizen, said Esther being the daughter of the said Mary E. Miller. The said Esther Cartwright, the child of Mary E. and Crill Miller, was born in the year 1868, prior to June 12, 1878, the date of the admission of her father to Cherokee citizenship. Her name does not appear upon the certificate admitting her father to citizenship, consequently she wasn't a recognized citizen of the Cherokee Nation by blood, neither are her children, John H., Leliotta, and William T., and the application for the enrollment of the said John H. Cartwright,

Leliette Cartwright, and William T. Cartwright, will be refused.

The decision and the judgement will be forwarded to the Secretary of the Interior when the rolls of the Cherokee Nation are completed and forwarded to him for approval, and these proceedings are all considered by him, and have to be approved.

I desire to inform you that if you desire to take an appeal to the Department from this decision, you can make your application to this Commission in writing and we have blanks back there that you can file with us if you do desire.

NOTICE IS FURTHER GIVEN that former claimants to citizenship by intermarriage who have made permanent and valuable improvements on lands of the Cherokee Nation and who claim the right to sell the same under and by virtue of said Act of Congress of March 2, 1907 (Public 180), must appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, and designate the land upon which are located the improvements which they claim the right to sell by virtue of said Act; and if any such intermarried citizen shall fail to appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, it will be considered that he makes no claim to the benefits conferred by said Act. Such appearance and designation of improvements must be made before the Commissioner at his office in Muskogee, Indian Territory, at any time between Monday, March 11th, 1907, and Saturday, March 30th, 1907, inclusive, or at any of the following named places between the dates named at which places the Commissioner will have a representative to receive said designations and hear testimony relative thereto:

Tribal rolls of the Cherokee Nation examined and applicant's name found thereon as follows:

1896 Census roll; page 1042, #31, Stand Davis, Orphan Roll, Saline district.

Q Was your wife's first husband a Cherokee or white man? A White man.

Com'r Breckinridge)--The applicant applies for the enrollment of himself, his wife and one child: He is identified on the rolls

of 1880 and 1896 as a native Cherokee. He has lived in the Cherokee Nation all his life and he will be listed for enrollment as a Cherokee by blood.

He states that his wife is a white woman and that they were married in 1899. She was previously married, but her former husband was also a white man. In no event, therefore, is the applicant's wife entitled to enrollment as she derives no right from her first marriage and her second marriage is after the Cherokee law of December 16th, 1895, and the application for her enrollment is rejected.

When the Commission is supplied with a proper certificate of birth of the child, Watie E. Davis, this child will be listed for enrollment as a Cherokee by blood, but at present it will be placed upon a doubtful card to await a copy of the decree of divorce of the applicant's wife from her first husband and a certificate of marriage showing that she was lawfully married to the applicant as stated by him.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife and four children. His wife is identified on the rolls of 1880 and 1896 as a native Cherokee. She has lived in the Cherokee Nation all her life. Her change of name is established by the marriage license and certificate filed herewith. There is a variation in her name on the roll of 1880, but the testimony of her brother shows that there were but three children in the family, and she is definitely and satisfactorily identified on that roll. She will now be listed for enrollment as a Cherokee by blood. The applicant himself is a white man; he was married to his wife in January, 1894 as shown by the license and certificate filed herewith. He was married in accordance with Cherokee law, and states that neither he, nor his wife, was previously married, and that they have lived together ever since their marriage. He will now be listed for enrollment as a Cherokee by intermarriage. Of the four children named in the testimony, the oldest, Fannie V., is duly identified on the roll of 1896; she is living, and will be listed for enrollment as a Cherokee by blood. When the Commission is supplied with proper certificates of birth of the three younger children, Zona, Eva and Ira, they also will be listed for enrollment as Cherokees by blood.

E.G.Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

E. G. Rothenberger

The number of the enrollment cards on which these persons are listed, the numbers opposite which they appear on the approved partial roll of Cherokee citizens, and their names, are set forth in Commissioner Bixby's report. Mr. Bixby says that the Department's instructions of June 1, and October 4, 1905, (I.T.D.6240-12228), as to the proceedings to be taken with reference to these persons have been complied with; and that no information having been received that any one of the persons enumerated was living on September 1, 1902, he would recommend that their names be stricken from the approved partial roll of citizens of the Cherokee Nation in

the possession of this Office and the Department, and that his office be authorized to strike their names from the copies of the approved partial roll in its possession, and that the applications for their enrollment as citizens of the Cherokee Nation be dismissed.

The affidavits as to the deaths of these persons are herewith transmitted, and I concur in the recommendation of Commissioner Bixby.

S. T.B.R.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife and four children. He is shown to have married his wife in accordance with the laws in force, 1887, and states that they were previously married in the Chickasaw Nation in 1881. His marriage in accordance with Cherokee law was too late to entitle him to the right of enrollment, and the application for his own enrollment, he being a white man, is to be denied. His wife is duly identified on the rolls of 1880 and 1896. Her change of name, arising from marriage, is established by the license and certificate filed herewith; she is a native Cherokee, she has lived in the Cherokee Nation all her life, and when she married in the Chickasaw Nation, it was on the occasion of a brief visit. She will now be listed for enrollment as a Cherokee by blood. The four children named in the testimony are all duly identified on the roll of 1896; they are living, and will be listed for enrollment as Cherokees by blood.

E.E.Rothenberger, being duly sworn, states that he stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife and five children. His wife is shown to have been admitted to citizenship by the Cherokee Commission on Citizenship in 1887; she has lived in the Cherokee Nation for ten years; her change of name is established by the marriage license and certificate filed herewith, and she will be listed for enrollment as a Cherokee by blood. The applicant is shown to have married his wife first in Georgia in 1891, and afterwards under the Cherokee law in May, 1895. Neither was previously married; they have lived together ever since their marriage; he is identified on the roll of 1896; he is a white man, and he will be listed for enrollment as a Cherokee by intermarriage. Of the five children named in the testimony, the first three are duly identified on the roll of 1896; they are living and will be listed for enrollment as Cherokees by blood. When certificates of birth are filed with the Commission for the two younger children, Mary K. and Ila I., these children also will be listed for enrollment as Cherokees by blood.

E.C.Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

SUBJECT:
Enrollment of William H. Bertholf, a Cherokee.

. . . . . .

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of William H. Bertholf, a citizen by blood of the Cherokee Nation, enrolled opposite No. 28343. No application to select an allotment of land having been made for William H. Bertholf an investigation was begun to determine whether this person was living, and if not, the date of his death, and on October 4, 1909, the testimony of John R. Bertholf, a cousin of William H. Bertholf, testified that he died July 25, 1901, and that on the same date Amanda Bertholf, the widow of William H. Bertholf, testified her husband died July 25, 1901, and presented a record showing this date as stated by her.

On January 28, 1910, John R. and Richard R. Bertholf, brothers, and Amanda Bertholf, wife of William H. Bertholf, were notified by registered mail of the information secured by this office as to the date of the death of the said William H. Bertholf, and of the provisions of Section 31 of the Act of

Congress approved July 1, 1902, (32 Stats., 716) that no person whose name was on the final roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that they might within a stipulated time appear at this office and show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said William H. Bartholf was not entitled to participate in a division of the tribal property of the Cherokee Nation.

These notices were received as is evidenced by the return of the registry receipts properly signed but no appearance has been made.

The record in this case appears clearly to establish that William H. Bartholf died prior to September 1, 1902, and I therefore recommend that the following notation be placed upon all copies of the approved rolls of citizens of the Cherokee Nation, opposite the name of William H. Bartholf, No. 28343: "Died prior to September 1, 1902, not entitled to land or money."

Copies of the record pertaining to the death of this citizen are enclosed herewith.

Respectfully,

Acting Commissioner.

Through the Commissioner of Indian Affairs.

Muskogee, Oklahoma, January 25, 1910.

Mrs. Amanda Bertholf,

Checotah, Oklahoma.

Madam:

Evidence has been secured by this office showing that your husband, William H. Bertholf, whose name appears on the roll of Cherokee citizens by blood opposite No. 28343, died on July 25, 1901.

The act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

> "That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in additionthereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

Amanda Bertholf - A.

You are, therefore, notified that on or before February 25, 1910, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of William H. Bertholf on the approved roll of Cherokee citizens:

"Died prior to September 1, 1902; not entitled to land or money."

Respectfully,

WSDM (LBA) Acting Commissioner.

By Comm'r.Breckinridge:-

The applicant applies for the enrollment of himself, wife and seven children, one a step child. He states that he has lived in the Cherokee Nation since 1867; he is identified on the rolls of 1880 and 1896 as a native Cherokee, and he will be listed for enrollment as a Cherokee by blood. He states that his wife has lived in the Cherokee Nation all her life excepting during the Civil war, and that they were married 19 years ago. She is identified on the 1880 and 1896 rolls as a native Cherokee; her change of name arising from her marriage is established by satisfactory testimony, as well as such as is afforded by the rolls, and she will be listed for enrollment as a Cherokee by blood. The step child Ella McDaniel is too young to be on the roll of 1880, and she is not identified on the roll of 1896, but she is definitely on the pay roll of 1894——at this moment her name is identified on the 1896 roll as Alexanderia McDaniel—— which the applicant states is her name in full though he desires her to be enrolled as Ella. She is living with the applicant and his wife, she being the daughter of the applicant's wife by a former husband, under the name of which marriage the child's mother is identified on the roll of 1880. This child will also be listed for enrollment as a Cherokee by blood. Of the six remaining children, children of the present marriage, the first four, Jesse, Nancy, Ida L. and Laura Phillips, are duly identified on theroll of 1896. they are living, and will be listed for enrollment as Cherokees by blood. When the Commission is supplied with certificates of the birth of the two younger children, Rachel and Walter Phillips, they also will be lsited for enrollment as Cherokees by blood.

COMMISSIO TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Thomas Leader as a citizen by blood of the Cherokee Nation.

O R D E R .

The record herein shows that at Muskogee, Indian Territory, on February 6, 1901, Thomas Leader made application to the Commission for enrollment as a citizen by blood of the Cherokee Nation.

The evidence herein shows that the said Thomas Leader died on March 10, 1902.

Section twenty-five of the Act of Congress approved July 1, 1902, provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date, shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is, therefore, ordered that the application for the enrollment of Thomas Leader as a citizen by blood of the Cherokee Nation, be, and the same is, hereby dismissed, in accordance with the provisions of the law above quoted, without prejudice.

John O. Rosson,

Clerk in Charge,

Cherokee Enrollment Party No. 1,

McKey, Indian Territory,

Dear Sir:

Receipt is hereby acknowledged of your letter bearing date of April 30, stating that Lou Halfbreed, whose name appears on the authenticated roll of 1880 on page 2, No. 19, Orphan Roll Canadian District, has been listed for enrollment with her present husband, Thomas Leader.

Upon an examination of the testimony had in the matter of the application of said Thomas Leader for the enrollment of himself, wife, and children as citizens of the Cherokee Nation, it is found that his wife was identified on the authenticated roll of 1880, in Canadian District, No. 707 as Lydia Halfbreed. It would appear that the said Lydia Halfbreed and Lou Halfbreed are one and the same person, and you are directed to correct your roll accordingly.

You are also requested to obtain, if possible, duly executed affidavit in the matter of the death of Thomas Leader who has died since having been listed for enrollment by the Commission.

Yours truly,

By Com'r Breckinridge:-

The applicant applies for the enrollment of herself and one child; she is shown to have married a Cherokee citizen in 1893; official evidence of which marriage is filed herewith. She states that neither she nor her husband were previously married and that they lived together as man and wife until his death some two years ago . Her deceased husband is duly identified on the 1880 and 1894 rolls, neither he nor the applicant are identified on the 1896 roll, but if her statement that he died only two years ago, be correct, then it is probable that their failure to be on that roll was due either to neglect or to their being absent, as testified to by her, for two months on a visit apparently during the year when that roll was taken. The applicant states that she has never married since her husband's death. It is developed, however, that she has had two children since the death of her husband, the first one of which is dead, the second one born last November, and she states is the child of a man named Forrest. It is not clear that she has not lived with this man Forrest in a manner to constitute a common law marriage. She states that he is a white man. She will be classed at present as a Cherokee by adoption but on a doubtful card for the further consideration of her status.
As to the child, John Calvin Henson, whose age is given as that of four years, this child seems to have been born during the married life of

of the applicant and her Cherokee husband and when the Commission is supplied with a proper certificate of its birth, the child will be listed for enrollment as a Cherokee by blood.

In the matter of the curator-
ship of John C. Henson, a minor,
O. L. Conner, curator.

To the Commissioner of the five Civilized Tribes:

Comes now O. L. Conner and respectfully represents unto the Honorable Commissioner that he is curator of the estate of Jon C. Henson, a minor, as fully appears from a certified copy of his letters of curatorship submitted herewith.

That the records of the commissioner to the five Civilized Tribes disclose that said John C. Henson died on the 5th day of November, 1905.

That said minor, alleged to be deceased as aforesaid, is in fact, alive, which fact has been duly found by an Order of the United States Court for the Northern Judicial District of the Indian Territory, sitting at Vinita, on the 10th day of September, 1907.

That the following described lands, towit:

East half of Southwest Quarter of Northeast quarter of Section Thirty-one (31), and the Southwest Quarter of Northwest Quarter and the west Half of Southeast Quarter of Northwest Quarter of Section Thirty-two (32), Township Twenty-five (25) North, Range Seventeen (17) East, containing 80 acres, more or less.

were selected as the allotment of said minor by a duly appointed administrator under the assumption that said minor was deceased as is shown by the records of said Commissioner to the Five Civilized Tribes.

That the sum of Five Thousand Dollars ($5,000.00) was advanced to said administrator with which to purchase the improvements upon said land for said supposed deceased minor, which

advancement has resulted in said minor receiving an extremely valuable allotment for oil and gas mining purposes.

That a certified copy of the order of court setting forth all of the circumstances in connection with the supposed decease of said John C. Henson and of the conditions under which the above described land was obtained for him is submitted herewith and made a part hereof.

That in view of the equities of said minor as set out in said order of court, your petitioner prays that the allotment of the above described lands to said John C. Henson, supposedly deceased, be ratified and confirmed by the commissioner as of the date of the original selection thereof by said administrator, and that John C. Henson be declared the allottee of said land from the date of such selection.

His wife is identified on the rolls of 1880 and 1896 as a native Cherokee; she is said to have lived in the Cherokee Nation all her life and her change of name is established by the marriage license and certificate filed herewith and she will be listed for enrollment as a Cherokee by blood. The three children, Joe, Tom and Susie Johnson are all to young to be upon the roll of 1896; when the Commission is supplied with proper certificates of the birth of these three children, they also will be listed for enrollment as Cherokees by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Cherokee Enrollment Division,

Commission to the Five Civilized Tribes.

Gentlemen:

Upon request made by the Secretary of the Interior relative to the citizenship of one, Edward Leader, an alleged Chickasaw Indian, the Choctaw-Chickasaw Enrollment Division, has had occasion to examine the tribal rolls of the Chickasaw Nation in its possession for data concerning said Leader and in connection therewith finds that in 1893, Walter Leader drew for himself and his seven children, Ruthie, Laura A., Ellen, Peggie, Edward, Andrew and Charles Leader the Leased District payment made to the citizens of the Chickasaw Nation. There is a notation after their names on the 1893 Leased District payment roll of the citizens of the Chickasaw Nation, "Cherokee".

An investigation of this matter has developed the fact that these persons are presumably the same persons listed upon your Cherokee cards 7243 and 7245 as citizens by blood of the Cherokee Nation.

No application has ever been made to the Commission for the enrollment of Walter Leader and his family as citizens of the Chickasaw Nation and this information is forwarded your

Cherokee Division 2

division for such action as you may deem necessary.

Yours truly,

Commissioner in Charge.

Com'r Breckinridge:- The applicant applies for the enrollment of herself, a minor sister and two children. She is identified on the rolls of 1880 and 1896 as a native Cherokee, her change of name arising from her marriage, is established by satisfactory personal testimony, as well as the corroberation afforded by the rolls. She has lived in the Cherokee Nation all of her life except for a short time in the Creek Nation after her first marriage which occurred when she was 19 years of age. At the

conclusion of that marriage, she and her husband having seperated, she returned to the Cherokee Nation and there married her present husband some five years ago, since that time she has lived in the Creek Nation, but her husband has continuously been an official of the United States Government, and the requitements of the Curtis law, that there should be an actual residence within the limits of the Nation in which the applicant claims citizenship, is not considered to apply in this case as her husband's presence in the Creek Nation has been required by his official duties. She will therefore be listed for enrollment as a Cherokee by blood. Her older child, Anna Lee Bennett, is duly identified on the roll of 1896, this child is living and will be listed for enrollment as a Cherokee by blood. When the Commission is supplied with proper certificates of the birth of the younger child Martha McKinley Bennett, this child also will be listed for enrollment as aCherokee by blood. No application is made for the enrollment of the husband of the applicant as he is a white man and was married only under United States law and too late under the Cherokee law of December 16th 1895 to entitle him to enrollment even had he been married under Cherokee license.

The sister of the applicant, Nevermore Trainor, is a minor and is now attending school in Tahlequah in the Cherokee Nation; she has lived in the Cherokee Nation all her life. She is too young to be on the roll of 1880, but she is identified on the roll of 1896 and her father and mother, now deceased, are identified on the roll of 1880, and she will therefore be listed for enrollment as a Cherokee by blood.

In the matter of the enrollment of Ida Martin as a citizen of the Cherokee Nation, the following order is to be noted:

Under date of December 3rd, 1900:

In the matter of the enrollment of Ida Martin, wife of William Martin, straight card 7227, it is shown that a mistake was made in crossing her name through by exception, she being a white woman and her marriage, as shown by the certificate filed with case 7227, she married her husband on the 10th of June, 1901, too late under the Curtis Act of December 12th, 1900, to entitle her to enrollment. It is, therefore, ordered that the cancellation of Ida Martin, as already indicated, be cancelled and that she be properly enrolled upon a rejected card as under the provisions noted she is not entitled to enrollment, and a copy of the testimony in the original case will be filed in the jacket of the new case with copy of this order, and the order of cancellation and transfer will be duly noted on the original card.

He states that he and his present wife have lived together ever since their marriage. She will be listed for enrollment as a Cherokee by adoption on a doubtful card to await a copy of the decree of divorce from the applicant and his first wife. Of the three children named in the testimony, the oldest, Maggie, is duly identified on the roll of 1896, but as the right of this child to enrollment depends upon the legality of the marriage between her white mother and her Cherokee father, the child will be listed for enrollment as a Cherokee by blood on a doubtful card. When this Commission is supplied with certificates of birth of the two younger children, Lewis and George, they also will be listed for enrollment as Cherokees by blood on a doubtful card to await the evidence of divorce just referred to.

Chas. von Weisel, being sworn states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

Subscribed and sworn to before me this 13th of February, 1901.

NANCY [illegible] RECALLED:
Q This child is living now, is it? A Yes sir.

Commissioner C. R. Breckinridge: The applicant applies for the enrollment of herself and minor child in her charge: She is doubtfully identified on the roll of 1896, as Nancy Roper; she can not be identified on the roll of 1880; she states that she is a Cherokee by blood and claims to be a full blood and to have lived in the Cherokee Nation all her life; for her more satisfactory identification, she will be listed for enrollment as a Cherokee by blood, upon a doubtful card and the final result will be made known to her at her postoffice address.

The child, Charlie Henson is identified with her deceased mother on the roll of 1896; her father is identified on the rolls of 1880 and 1896 as a native Cherokee and the father and mother are identified as husband and wife on the roll of 1896. It appears from the testimony that they were lawfully married, and it is doubtful whether the mother was a Cherokee or white woman: The child is now living, and will be listed for enrollment as a Cherokee by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Subscribed [illegible] this [illegible] day of February, 1901.

Q Has your present wife lived in the Cherokee Nation all her life?
A Yes sir.

Com'r. C. R. Breckinridge: The applicant applies for the enrollment of himself, his wife and one child. He is identified on the rolls of 1880 and 1896, as a native Cherokee; he has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood.

His wife, who seems to be a full blood, thinks she is about twenty one years of age; she may be some what younger: She is identified with reasonable accuracy on the roll of 1896; she claims to have lived in the Cherokee Nation all her life; she can not be identified with the roll of 1880, nor can her father or mother be definately determined upon that roll. Her marriage to the applicant is established by satisfactory personal testimony: He was once previously married, but his former wife was dead when he married his present wife. No reasonable doubt is entertained as to her right to enrollment and she will now be listed for enrollment as a Cherokee by blood.

When the applicant files a proper certificate of the birth of the child, Jesse T. Henson, this child also will be listed for enrollment as a Cherokee by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Subscribed and sworn to before me, this 13th day of February, 1901.

Department of the Interior.
Commission to the Five Civilized Tribes.
Muskogee, I. T., February 12, 1901.

In the matter of the application of Charles F. Reading for the enrollment of his wife and child as Cherokee citizens; he being sworn and examined by Commissioner C. R. Breckinridge, testified as follows:

Q Give me your full name. A Charles F. Reading.
Q How old are you? A 36 years old.
Q What is your postoffice? A Kinnison, I.T.
Q In what district do you live? A Coowescoowee.
Q Who is it you want to have enrolled? A My wife and child.
Q And yourself? A No sir.
Q Just your wife and child? A Yes sir.
Q Only one child? A One child.
Q Is your wife a Cherokee by blood? A She's a Cherokee by blood.
Q What is your wife's name? A Mary Reading. She was a McGhee.
Q How old is your wife? A 18 past.
Q How long has she lived in the Cherokee Nation? A All her life.
Q When did you marry her? A I married her in September, '99.

The applicant presents a certificate showing that he and his wife, Mary McGhee, were united in marriage September 14, 1899, at Oswego by L. W. Crain, Probate Judge.

Q Where is Oswego? A Nine miles across the line in Kansas; about twelve miles. (This is filed herewith.)
Q Give me the name of your wife's father. A John H. McGhee.
Q Is he dead? A He's not dead.
Q Give me the name of your wife's mother. A Elizabeth McGhee.
Q Is she dead? A She is dead.
Q Has your wife an initial "A" in her name? A They call her Mary Ann, but she signs her name Mary.
Q You want her enrolled then just as Mary? A Yes sir.

The census roll of 1896 examined and the name of the applicant's wife is found on page 206, No. 3028, as Mary J. McGhee, in Coowescoowee district.

Q Give me the name of your child? A Henry F. Reading.
Q Born December 12, 1900; about two months old? A Yes sir.

It is shown in Case 3992, that the father of the applicant's wife was omitted from the roll of 1880, because of absence from home, but within the Cherokee Nation at that time, and through no fault of his own; that he was born in the Cherokee Nation, and lived in the Nation all his life. The marriage between the father and mother of the applicant's wife was duly established, and it was shown that the children of that marriage were entitled to straight enrollment as Cherokees by blood.

Commissioner Breckinridge-

The applicant applies for the enrollment of his wife and one child. His wife is identified on the roll of 1896 as a native Cherokee; she is too young to be on the roll of 1880, and her father and mother are not identified on that roll, but as shown in case 3992, the same being the application of the father for the enrollment of himself and family, the omission of the father is through no fault of his own, and that he has lived in the Cherokee Nation all his life. In the case referred to, the applicant's wife was incorrectly enrolled under her maiden name as Mary A. McGhee; her father having applied for her and not having disclosed the fact

that she was married. As shown in the testimony, and in the case referred to, she is entitled to enrollment as a Cherokee by blood. Her change of name is established by the marriage license and certificate filed herewith. Her enrollment under her maiden name on the card referred to will be cancelled, and she will be enrolled now under her married name, and a copy of this testimony will be filed with case 3992. She has lived in the Cherokee Nation all her life, and she will be listed for enrollment as a Cherokee by blood. When a certificate of birth is filed of the child, Henry F. Reading, this child will also be listed for enrollment as a Cherokee by blood. The applicant does not apply for his own enrollment as he is a white man and married his wife in September, 1899, and under United States law only. A memorandum of the transfer of enrollment just ordered will be made upon card 3992. The applicant's wife, at his request, is now enrolled as Mary Reading, instead of Mary A. as he says she does not retain the initial in her name, and does not desire it.

E.G.Rothenberger, being duly sworn, states that a stenographer to the Commission to the Five Civilized Tribes he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Dear Sir:-

The Commission is in receipt of your letter of November 11, giving further information as to the application made for the enrollment of yourself and family as citizens of the Cherokee Nation, and from this information such application has been duly identified.

The records of the Commission, however, show that you did not at that time make application for your own enrollment, but that application was made only for your wife, Mary, and your child, Henry. Your surname was given by you at that time as Reading.

You are requested to advise the Commission as to your correct surname, whether Reading or Redinger. If Redinger is correct, you should appear before the Commission at its office at Muskogee, Indian Territory for the purpose of giving testimony, correcting the names of your wife and child upon the Commission's records.

Respectfully,

Acting Chairman.
